BACON WRAPPED SEA SCALLOPS

WHY CLEARWATER?

- Fast and efficient worldwide distribution and delivery
- Wild-harvested from a sustainable and Marine Stewardship Council (MSC) certified fishery
- Consistent year-round supply and availability
- Recognized globally for superior quality and food safety

PROCESSING

Utilizing the highest quality, premium ingredients, each frozen-at-sea Canadian Sea Scallop is individually hand-wrapped and skewered with naturally smoked bacon at our US co-packing facility. Our specialized process allows us to provide the perfect scallop to bacon ratio, ensuring a delicious flavor combination.

FOOD SAFETY AND QUALITY

Food safety and quality assurance programs, including CFIA registration onboard Clearwater vessels and BRCGS certification within processing facilities ensure our customers receive only the highest-quality, consistent and food-safe products.

SUSTAINABILITY

Clearwater's Bacon Wrapped Sea Scallops are Marine Stewardship Council (MSC) certified, the industry's gold standard for third-party verification. Products displaying the MSC logo give consumers assurance that their seafood originates from a sustainable and well-managed fishery as set by the MSC's strict environmental standards.

DELICIOUS & CONVENIENT APPETIZERS!
